SUITABLE
FOR
BEGINNERS

WHAT WE'LL
LEARN:
HOW TO UPCYCLE
CARDBOARD TO A
VARIETY OF
DIFFERENT THINGS!

HOW TO GET STARTED AND GET THE MOST FROM YOUR WORKSHOP

Thank you so much for joining us and taking part in our workshop. We are passionate about up-cycling, revamping and repurposing clothing and items you will find around your home.

If you are joining us for the live workshops, it's advisable to have a project to hand to show us and we can give you live advice on the best approach. There is no such thing as a silly question so please don't hold back. However, if you are listening on catch up or we run out of time to answer everything and have a question, please feel free to get in touch via email.

LINK TO THE ZOOM WORKSHOP

We have decided to run this workshops as 'pay what you can' to help us keep them open to as many people as possible. If you would like to show your appreciation with a tip or buy a coffee for the tutor it would be most appreciated. You can do this through:
